Designed for hotel use, Yul Basic is a full range of compact, ergonomic, and silent hair dryers. Appreciated for their value for money, these hair dryers are operated by a 1200 W motor including a heating element. The wall-mounted ABS casing is integrated by an on-off safety switch button on wall-base and overheating protection. Two fan speed and two heat settings are available on each model, while just one of them is equipped with a shaver socket.
