

<b>Item Code Producer</b>	<b>8020034B</b>	
<b>Type</b>	Round Pie Mould	
<b>Bottom size</b>	200 mm +/- 1 mm	
<b>Top in</b>	216 mm +/- 1 mm	
<b>Top out</b>	235 mm +/- 1 mm	
<b>Height</b>	34 mm +/- 1 mm	
<b>Weight</b>	15,5 gr +/- 5%	
<b>Capacity</b>	1.154 ml	
<b>Perforation</b>	Not perforation	

### TECHNICAL DATA

<b>Composition</b>	Realized by laminating two pieces of paper. Paper produced with pure virgin fibre Internal side: Grease proof brown paper treated with silicone on internal side. External side: Grease proof brown paper.
<b>Grammage</b>	125 + 75 gsm +/- 5%
<b>Glue</b>	Water based adhesive for paper lamination
<b>Print</b>	No print
<b>Processing temperature range</b>	Use at temperatures between -18 and 220 ° C
<b>Ecological information</b>	The papers, before usage, are in compliance with EN 13430 for material recycling, with EN 13431 for energy recovery and ISO 14855-1: 2005 for biodegradability

### PACKAGING

<b>Packaging</b>	Boxes on pallet	
<b>Pieces per sleeve</b>	130	
<b>Sleeves per box</b>	4	
<b>Pieces per box</b>	520	
<b>LDPE inner bag</b>	One per box	
<b>Weight of the full box</b>	9,72 Kg	
<b>Box sizes</b>	805 x 405 x 431 h mm	
<b>Box volume</b>	0,14 m <sup>3</sup>	
<b>Boxes per pallet</b>	15	
<b>Pieces per pallet</b>	7.800	
<b>Pallet composition</b>	3 boxes x 5 layers	
<b>Pallet size</b>	81 x 121 x 230 h cm	
<b>Box label</b>	Indications of item code and dimensions, production number, quantity, production date, operator.	
<b>Store condition</b>	Store in a cool and dry place, away from direct sun, light and heat.	

<b>Approvals</b>	Ecopack is in conformity with: <b>CE 1935/2004 Regulation</b> concerning migration, labelling and traceability of materials and articles intended to come into contact with food. <b>CE 2023/2006 Regulation</b> concerning the good manufacturing practice for materials and articles intended to come into contact with food. <b>DM 21/03/1973, Chapter. IV</b> and following updating and amendments. <b>DPR 777/82</b> and following updating and amendments. <b>BRCGS Packaging Materials Issue 6</b> <b>FSC</b> (Ecopack Licence Number: FSC-C129853; Certificate Code: BV-COC-129853) <b>UNI EN ISO 9001:2015</b> Quality Management System <b>Kosher Certification</b> <b>CEN EN 13430:2004</b> Requirements for packaging recoverable by material recycling <b>CEN EN 13431:2004:</b> Requirements for packaging recoverable in the form of energy recovery, including specification of minimum inferior calorific value <b>ISO 14855-1:2005:</b> Determination of the ultimate aerobic biodegradability of plastic materials under controlled composting conditions	Signature for approved
